

**The Royal Society of Chemistry  
North West Region  
Analytical Division  
AGM  
Thursday 23<sup>rd</sup> April 2009**

A FREE and INTERESTING meeting [including buffet], at the Manchester Interdisciplinary Biocentre of The University of Manchester, 131 Princess Street, Manchester, M1 7DN (no. 16 on map available at [www.manchester.ac.uk/medialibrary/maps/campusmap.pdf](http://www.manchester.ac.uk/medialibrary/maps/campusmap.pdf)). This is your opportunity to find out about the activities of the Analytical Division in the region and chat informally to your committee members. You will also hear about advances and applications of spectroscopic techniques to address and further our understanding of biological problems.

**18:30 Welcome and Presentations**

*'Advances in Biological Secondary Ion Mass Spectrometry using C60 Bombardment'*

Dr. Nicholas Lockyer, Lecturer at the School of Chemical Engineering and Analytical Science, The University of Manchester

*'Infrared Spectroscopic Imaging in Prostate Cancer Research'*

Dr. Peter Gardner, Senior Lecturer at the School of Chemical Engineering and Analytical Science, The University of Manchester

**19:30 Buffet and AD North West Region AGM**

**AGM Agenda**

1. Minutes of previous AGM
2. Matters Arising
3. Chairman's Report
4. Hon. Secretary's Report
5. Hon. Treasurer's Report
6. Election of Officers and Committee Members
7. Appointment of Hon. Auditor[s]
