

Radiochemistry Group
Analytical Division
The Royal Society of Chemistry

11th International Symposium on Environmental Radiochemical Analysis

*15 - 17 September 2010
Best Western Queen Hotel, Chester, England*

<http://www.rsc.org/era2010>

Sponsored by:

First Circular

**This Symposium provides an international forum for presentation of
research in all aspects of environmental radiochemistry**

Organising and Technical Committee

Professor Francis Livens, University of Manchester (Conference Chair)
Professor Peter Warwick, Loughborough University (Secretary)
Dr Anthony Ware (Treasurer)
Dr Kinson Leonard, Cefas (Exhibitions Secretary)
Dr Margaret Graham, University of Edinburgh
Dr Terry Gingell, Dstl
Dr Miranda Keith-Roach, University of Plymouth
Dr Katherine Morris, University of Leeds
Dr Ian Croudace, University of Southampton

Diary

September 2009 Online registration opens and invitation for abstracts
January 2010 Return of oral and poster abstracts
April 2010 Notification of acceptance of abstract
July 2010 Registration deadline

Contact
