

Joint Social Event  
Analytical Division North West Region and RSC Manchester Section

Chemistry on Film as seen through the eyes of the internationally acclaimed North West Film Archive - one of Manchester Metropolitan University's Special Collections.

*North West Film Archive*

The professionally recognised public home for the moving image  
heritage of the [North West](#) of England.

Wednesday 30<sup>th</sup> January 2008

Manchester Metropolitan University  
John Dalton Building  
Chester Street  
Manchester  
M1 5GD  
Lecture Theatre T0.03  
'The Street'

18:15 – buffet  
19:00 - 20:00 – presentation by Marion Hewitt and Mark Bodner,  
NWFA

Not just an excuse to socialise but a chance to hear about the important  
work of the NWFA and see some of the material in their collection that  
relates to Chemistry in the North West

The event is free and open to members and their guests but places are limited so  
confirm now by emailing Megan McLean at [SecretaryNWAD@rsc.org](mailto:SecretaryNWAD@rsc.org) or telephone  
01612471413. If you require directions or more information then contact Megan.
